## Handout 1.1.1: Set of Guiding Questions

### Set of Guiding Questions:

1. If someone goes to your community 20 years from now, what do you want him/her to see in terms of gender transformation?
2. What is your group's vision of what you want to happen in the future?
3. Is this vision likely shared by all stakeholders (households, communities and governments, men and women)?
4. Is your vision likely to secure commitment strong enough to overcome obstacles?
5. Does your vision:
  - Foster critical examination of inequalities and gender roles, norms and dynamics?
  - Recognize and strengthen positive norms that support equality and an enabling environment?
  - Highlight the relative position of women, girls and marginalized groups, and transform the underlying social structures, policies and broadly held social norms that perpetuate gender inequalities?
